Features

This M³ Track Light System can be assembled in a wide variety of configurations due to its modular design. The rails are designed to be mounted on the surface, suspended or recessed. All of the interior components are easily hidden behind drywall or aluminum covers for a clean and finished aesthetic. Every light module in this series is compatible with both DALI and 0-10V dimmers.

Dimensions

5W- 10.6"

15W- 15.8"
